(c)

(1) The statements required by subsections (a) and (b) of each candidate, each single candidate political campaign committee, single measure political campaign or multicandidate political campaign committee shall be filed quarterly during an election year, no later than the tenth day of January, April, July and October respectively. Such candidate and political campaign committees shall also be required to file a pre-primary statement and pre-general statement. The pre-primary statement shall cover the period from the last day included in the July quarterly statement through the tenth day before the primary election. Such pre-primary statement is due seven (7) days before the primary election. The pre-general statement shall cover the period from the last day included in the October quarterly statement through the tenth day before the general election. Such pre-general statement is due seven (7) days before the general election;

(2) Statements for any runoff election, from the last day included in any prior report through the tenth day before any such election shall be filed not later than seven (7) days before the election;

(3) Any candidate or political campaign committee filing a statement pursuant to subsection (e) before January 1 of the year in which the candidate or committee expects to be involved in an election shall file reports with the registry of election finance or the county election commission, whichever is required by subsections (a) and (b), by January 31 and July 1 immediately succeeding the filing, and semi-annually thereafter through the year of the election. If January 31 or July 1 falls on a Saturday, a Sunday, or a legal holiday, the provisions of § 1-3-102 shall apply. The ending date of the January 31 reporting period is January 1.

The ending date of the July 1 reporting period is June 15. A semi-annual report is not required to be made if the reporting date is within sixty (60) days of a report otherwise required by this part.

(d) Each multicandidate political campaign committee shall file reports according to subsection (c)(1). Each report shall include transactions occurring since the preceding report. Such reports shall be made available on the Internet as soon as practicable once such multicandidate political campaign committee has filed such information and the registry has reviewed such statements for accuracy and timeliness. If a multicandidate political campaign committee has not timely filed a quarterly report, then the registry shall post on the Internet that the multicandidate political campaign committee is delinquent.

(e) Each candidate and each political campaign committee shall certify the name and address of the candidate's or committee's political treasurer to the registry of election finance or the county election commission, where appropriate, before the candidate or committee may receive a contribution or make an expenditure in a state or local election. A state public officeholder shall also certify the name and address of such officeholder's political treasurer to the registry of election finance before the officeholder or the officeholder's political committee may accept a contribution to defray the expenses incurred in connection with the performance of the officeholder's duties or responsibilities, and a local officeholder shall so certify the name and address of such officeholder's treasurer to the appropriate county election commission. A candidate may serve as that candidate's own political treasurer. A candidate or political campaign committee shall notify the registry of election finance or county election commission of any changes in the office of its political treasurer. Any such statements filed pursuant to

this part shall be cosigned by the candidate, if such candidate appoints a political treasurer other than the candidate.

(f) All records used by the candidate or political campaign committee to complete a statement required by this part shall be retained by the candidate or political campaign committee for at least two (2) years after the date of the election to which the records refer. After the two-year period the candidate or political campaign committee is authorized to destroy such records absent any pending investigation by the registry of election finance or any other law enforcement agency or absent any administrative or court proceeding. Once an investigation is closed by the registry of election finance, records may be destroyed upon a petition for approval to the registry of election finance.

(g) Separate reporting shall be required for both primary elections and general elections. Cumulative reporting for both primary and general elections for the same office in the same year is expressly prohibited. An appointment of a political treasurer pursuant to subsection (e) may be cumulative, and one (1) such appointment shall be sufficient for both a primary and general election for the same office in the same year. A successful primary candidate shall not be required to certify a political treasurer for the general election if the candidate had previously certified such political treasurer prior to the primary election.

(h) During the period beginning at twelve o'clock (12:00) midnight of the tenth day prior to a primary, general, runoff or special election or a referendum and extending through twelve o'clock (12:00) midnight of such election or referendum day, each candidate or political campaign committee shall by telegram, facsimile machine, hand delivery or overnight mail delivery file a report with the registry of election finance or the county election commission, whichever is required by subsections (a) and (b) of:

(1)

(A) The full name and address of each person from whom the candidate or committee has received and accepted a contribution, loan or transfer of funds during such period and the date of the receipt of each contribution in excess of the following amounts: a committee participating in the election of a candidate for any state public office, five thousand dollars (\$5,000); or, a committee participating in the election of a candidate for any local public office, two thousand five hundred dollars (\$2,500). If the committee is participating in the election of candidates for offices with different reporting amounts, the amount shall be the lowest for any candidate in whose election the committee is participating or in which any committee is participating to which it makes or from which it receives a transfer of funds; and

(B) Such report shall include the amount and date of each such contribution or loan reported, and a brief description and valuation of each in-kind contribution. If a loan is reported, the report shall contain the name and address of the lender, of the recipient of the proceeds of the loan, and of any person who makes any type of security agreement binding such person or such person's property, directly or indirectly, for the repayment of all or any part of the loan.

(2) Each report required by this subsection (h) shall be filed within seventy-two (72) hours after the time the contribution or loan is received. If such time falls other than during regular working hours, the report shall be filed after the opening of the office of the registry of election finance or the county election commission, whichever is required by subsections (a) and (b), on the next working day after the time at which the report is otherwise due.

(3) The registry shall develop appropriate forms for the report required by this subsection (h) and make such forms available to the candidates and the county election commissions.

(i) Any state or local political party or caucus of such political party established by members of either house of the general assembly that controls or operates one (1) or more political campaign committees shall report all receipts and disbursements by the party in the same manner and at the same time that it reports contributions and expenditures by the party's political campaign committee.

(j) Reports filed under this section shall not be cumulative. Each report shall reflect the total for its own reporting period.

(k) "Date of the receipt", as used in this section, means the date when the contribution was received by the candidate, candidate's committee, or treasurer.

SECTION 3. Tennessee Code Annotated, Section 2-10-107, is amended by deleting the section in its entirety and by substituting instead the following new section:

§ 2-10-107.

(a) A statement filed under § 2-10-105 or § 2-10-106 shall consist of either:

(1) A statement that neither the contributions received nor the expenditures made during the period for which the statement is submitted exceeded one thousand dollars (\$1,000). Any statement filed pursuant to § 2-10-106 shall indicate whether an unexpended balance of contributions, continuing debts and obligations or an expenditure deficit exists; or

(2)

(A) A statement setting forth under contributions, a list of all the contributions received including the full name, complete address, occupation, and employer of each person who contributed a total amount

of more than one hundred dollars (\$100) during the period for which the statement is submitted, and the amount contributed by that person. The statement of each candidate shall include the date of the receipt of each contribution and the statement of a political campaign committee shall include the date of each expenditure which is a contribution to a candidate. "Date of the receipt", as used in this subdivision, means the date when the contribution was received by the candidate, candidate's committee, or treasurer. The statement shall list as a single item the total amount of contributions of one hundred dollars (\$100) or less; and

(B) A statement setting forth under expenditures, a list of all expenditures made including the full name and address of each person to whom a total amount of more than one hundred dollars (\$100) was paid during the period for which the statement is submitted, the total amount paid to that person, and the purpose thereof which shall clearly identify that it is an allowable expenditure under § 2-10-114. The words "reimbursement", "credit card purchase", "other" and "campaign expense" shall not be considered acceptable descriptions for "purpose". Any purchase made with a credit card shall also be disclosed as a payment to the vendor providing the item or service. Credit card payments to separate vendors shall be disclosed as separate expenditures. The statement shall list the total amount of expenditures of one hundred dollars (\$100) or less each, by category, without showing the exact amount of or vouching for each such expenditure.

(b) When any candidate or political campaign committee desires to close out a campaign account, it may file a statement to such effect at any time; provided, that the

statement shall on its face show no unexpended balance, continuing debts or obligations or deficit.

(c)

(1) When filing a statement under § 2-10-105 or § 2-10-106, a contribution, as defined in § 2-10-102, for which no monetary consideration is paid or promised, hereinafter referred to as an "in-kind contribution", shall be listed separately in the disclosure statement and excluded from the lists of contributions and expenditures. The "in-kind contribution" list shall include:

(A) In-kind contributions of a value of one hundred dollars (\$100) or less may be listed as a single item; and

(B) In-kind contributions of a value of more than one hundred dollars (\$100) during the period for which the statement is submitted, and for each such contribution, the category of the contribution, the name, address, occupation and employer of each person who contributed it.

The statement of each candidate shall include the date of the receipt of each in-kind contribution and the statement of a political campaign committee shall include the date of each expenditure which is an in-kind contribution to a candidate.

(2) Within ninety (90) days of the effective date of this act, by rule promulgated in accordance with the Uniform Administrative Procedures Act, compiled in title 4, chapter 5, the registry of election finance shall enumerate a nonexclusive listing of examples of the various categories of contributions which constitute "in-kind contributions" requiring disclosure. Upon promulgating such rule, the registry shall provide a copy of such rule to each member of the general assembly and each qualified candidate for state office.

(d) An in-kind contribution is deemed to be made and shall be reportable in the period when such contribution is made or performed and not when the cost is billed or paid. The actual cost of the in-kind contribution, if known, shall be reported in the period such contribution is made or performed. If the actual cost of the in-kind contribution is not known, an estimate of the cost shall be reported in the period such contribution is made or performed, and the report shall indicate that the amount reported is estimated. If the actual cost, as indicated on the bill, is different from the amount reported, such amount shall be amended or adjusted on a later report covering the period in which payment is made.

(e) A statement filed under § 2-10-105 or § 2-10-106 shall also list any unexpended balance, any deficit and any continuing financial obligations of the candidate, campaign or committee.

(f) Payments to a person as reimbursement for expenditures made by the person on behalf of the candidate or committee shall be disclosed as payments to the vendor who provided the item or service to the candidate or committee, not the person who is reimbursed.

SECTION 4. Tennessee Code Annotated, Sections 2-10-102(4), 2-10-402, and 2-19-203, are amended by deleting the language “pledge”.

SECTION 5. Tennessee Code Annotated, Section 2-10-110, is amended by deleting the section in its entirety and by substituting instead the following new sections:

§ 2-10-110.

(a) The registry of election finance may impose a civil penalty for a violation of this part as provided in this section.

(1) "Class 1 offense" means the late filing of any report or statement required by this part. A Class 1 offense shall be punishable by a civil penalty of

not more than twenty-five dollars (\$25.00) per day up to a maximum of seven hundred fifty dollars (\$750).

(A) For local public offices, the administrator shall have personally served upon, or send by return receipt requested mail, an assessment letter to any candidate or committee upon the administrator's discovery that a due report has not been filed. The administrator shall forward a copy of such notice to the registry of election finance. For state public offices, the registry of election finance shall have personally served upon, or send by return receipt requested mail, an assessment letter to any candidate or committee upon the registry or its appropriate staff discovering that a due report has not been filed. A civil penalty of twenty-five dollars (\$25.00) per day shall begin to accrue five (5) days after personal service or receipt of the letter and will continue to accrue until the report is filed or for thirty (30) days, whichever occurs first.

(B) For any Class 1 offense, the registry of election finance through its appropriate staff shall send an assessment letter to a candidate or committee in a form sufficient to advise the candidate or committee of the factual basis of the violation, the maximum penalty and the date a response to the letter must be filed. If a disclosure report is returned to a candidate or committee for correction, a copy of the original shall be retained on file until the corrected report is returned to the registry of election finance. If the original filing was in compliance with the intent of the law and minor errors are corrected within the date set for a response, no penalty shall be assessed.

(C) To request a waiver, reduction or to in any way contest a Class 1 penalty imposed by the staff of the registry of election finance, a candidate for a state or local public office shall file a petition with the registry of election finance. Such petition may be considered as a contested case proceeding under the Uniform Administrative Procedures Act, compiled in title 4, chapter 5.

(2) "Class 2 offense" means failing to file a report required by this part within thirty-five (35) days after service of process or receipt of notice by registered or certified mail of an assessment or any other violation of the requirements of this part. A Class 2 offense is punishable by a maximum civil penalty of not more than ten thousand dollars (\$10,000) or fifteen percent (15%) of the amount in controversy, if fifteen percent (15%) of the amount in controversy is greater than ten thousand dollars (\$10,000).

(A) For state and local public offices, the registry of election finance may impose a civil penalty for any Class 2 offense.

(B) To request a waiver, reduction or to in any way contest a Class 2 penalty imposed by the registry of election finance, a candidate for a state or local public office shall file a petition with the registry of election finance. Such petition may be considered as a contested case proceeding under the Uniform Administrative Procedures Act, compiled in title 4, chapter 5.

(C) "Amount in controversy" means, as appropriate to the case, the greater of the total expenditures or total contributions either of which or both of which are shown on a late report subsequently filed, or the

amount of an expenditure or contribution which was not reported or was incorrectly reported.

(b) Penalties imposed under this part shall be deposited into the state general fund.

(c)

(1) The registry of election finance shall maintain a register of all civil penalties imposed under this part and remaining unpaid.

(2) If a civil penalty lawfully assessed and any lawfully assessed cost attendant thereto are not paid within thirty (30) days after the assessment becomes final, the candidate owing such civil penalty shall be ineligible to qualify for election to any state or local public office until such penalty and costs are paid.

(3) If a civil penalty authorized by this section is imposed, it shall be considered as a personal judgment against the candidate.

(d) A candidate for state or local public office who fails to file any statement or report required by this part shall be ineligible to qualify for election to any state or local public office until such statement or report is filed with the registry and/or the appropriate county election commission.

(e) It is the intent of the general assembly that the sanctions provided in this section shall be the civil penalties enacted into law by Acts 1989, ch. 585.

(f)

(1) For any civil penalty levied by the registry against a multicandidate political campaign committee under this section or § 2-10-308, the treasurer of such committee is personally liable for such penalty.

(2) If a civil penalty lawfully assessed and any lawfully assessed cost attendant thereto are not paid within thirty (30) days after the assessment becomes final, the multicandidate political campaign committee owing such civil penalty shall be prohibited from receiving contributions and making expenditures to support or oppose candidates and the treasurer of such delinquent multicandidate political campaign committee shall be prohibited from creating another multicandidate political campaign committee until such penalty and all costs attendant thereto are paid in full.

§ 2-10-111.

(a) Each county election commission shall notify the state election commission and the registry of election finance of each local election held in such county at the same time that public notice is posted for such election.

(b) Each time that a statement for a candidate for local public office or political campaign committee for a local election is due to be filed with the county election commission under § 2-10-105, the county election commission shall file with the registry of election finance a report certifying that all candidates have filed the report timely or a list of all candidates who have failed to report timely. For each local candidate who is reported to the registry of election finance as filing late, the county election commission shall be required to file, on a form prescribed by the registry, information pertaining to the late filing. The registry shall determine by rule what information from the county election commission shall be necessary.

SECTION 6. Tennessee Code Annotated, Section 2-10-114, is amended by deleting the section in its entirety and by substituting instead the following new section:

§ 2-10-114.

(a) Any candidate for public office in this state with an unexpended balance of contributions after the election shall elect one (1) or a combination of the following for allocation of such funds within sixty (60) days of such election:

(1) The funds may be retained or transferred to any campaign fund pursuant to Tennessee reporting requirements;

(2) The funds may be returned to any or all of the candidate's contributors in accordance with a formula or plan specified in the candidate's disclosure of the allocation;

(3) The funds may be distributed to the executive committee of the candidate's political party;

(4) The funds may be deposited in the volunteer public education trust fund established under title 49, chapter 3, part 4;

(5) The funds may be distributed to any organization described in 26 U.S.C. §170(c);

(6) The funds may be distributed to an organization which has received a determination of exemption from the United States internal revenue service pursuant to subsection (3) or (4) of 26 U.S.C. §501(c), if such organization is currently operating under such exemption; and

(7) The funds may be used to defray any ordinary and necessary expenses incurred in connection with the office of the officeholder. Such expenses may include, but are not limited to, the cost of advertisements, membership fees, and donations to community causes.

(b)

(1) Except as provided in subsection (a), no candidate for public office shall use any campaign funds for any other purpose other than a contribution or

expenditure as defined by this chapter. The disbursement of campaign funds for a candidate's own personal use is not permitted. For the purpose of this section, "personal use" is defined as any use which the candidate for public office or elected public official would be required to treat the amount of the expenditure as gross income under §61 of the Internal Revenue Code of 1986, 26 U.S.C. §61, or any subsequent corresponding Internal Revenue Code of the United States, as from time to time amended.

(2) Expenditures that are specifically prohibited under this section include, but are not limited to:

(A) Any residential or household items, supplies or expenditures, including mortgage, rent or utility payments for any part of any personal residence of a candidate or officeholder or a member of the candidate's or officeholder's family;

(B) Mortgage, rent, or utility payments for any part of any non-residential property that is owned by a candidate or officeholder or a member of a candidate's or officeholder's family and used for campaign purposes, to the extent the payments exceed the fair market value of the property usage;

(C) Funeral, cremation, or burial expenses related to deaths within a candidate's or officeholder's family;

(D) Clothing, other than items of de minimis value that are used in the campaign;

(E) Tuition payments within a candidate's or officeholder's family other than those associated with training campaign staff or associated with an officeholder's duties;

(F) Dues, fees, or gratuities at a country club, health club, or recreational facility, unless they are part of a specific fundraising event that takes place on the organization's premises;

(G) Salary payments to a member of a candidate's family, unless the family member is providing bona fide services to the campaign. If a family member provides bona fide services to a campaign, any salary payment in excess of the fair market value of the services provided is a prohibited use;

(H) Admission to a sporting event, concert, theater, or other form of entertainment, unless part of a specific campaign or officeholder activity;

(I) Payments for grooming or enhancing one's personal appearance unrelated to campaign activities; or

(J) Payment of any fines, fees, or penalties assessed pursuant to this chapter or title 3, chapter 6.

(3) A violation of this subsection (b) is a Class 2 offense as defined in § 2-10-110(a)(2).

(c) If the allocation made in accordance with subsection (a) is made after the January quarterly report required by § 2-10-105(c)(1), then a report of the allocation shall be filed within twelve (12) calendar days at the same office and with the same information as required in § 2-10-107 for expenditures.

(d) In addition to the manner in which unexpended balances in the campaign account of a candidate may be allocated under the provisions of subsection (a), if an incumbent dies while in office and has an unexpended balance in a campaign account, and if such incumbent's surviving spouse or child is appointed to fill the unexpired term

of the deceased incumbent or is elected to the office previously held by the deceased, then the balance remaining in the campaign account of such deceased incumbent shall be transferred to the campaign account of the surviving spouse or child of the deceased incumbent for use by such surviving spouse or child as a candidate for election to public office in accordance with the provisions of this part.

(e) In the event a candidate for public office dies with an unexpended balance of contributions in such candidate's campaign account and the provisions of subsection (d) are not applicable, then the following individuals in the descending order hereafter established are authorized to allocate such unexpended balance to those persons, political parties, or charitable organizations listed in subdivisions (a)(2)-(6):

(1) The deceased candidate, if such candidate provided for allocation of an unexpended balance through such candidate's will;

(2) The deceased candidate's treasurer, unless the candidate was the treasurer;

(3) The surviving spouse of the deceased candidate, if the candidate was the treasurer; and

(4) The next of kin of the deceased candidate, if the provisions of subdivisions (e)(2) and (3) do not apply.

If a decision is not made by any such individual, or individuals where subdivision (e)(4) applies, within one (1) year of the date of death of the deceased candidate, then the unexpended balance shall be distributed by the registry of election finance to the volunteer public education trust fund established under title 49, chapter 3, part 4.

(f) Notwithstanding the provisions of subsection (a), if a member of the general assembly raises funds for a local public office during the time the general assembly is in session in accordance with § 2-10-310(a), then any unexpended balance of

contributions in the campaign account established by such member of the general assembly for such member's candidacy for local public office shall not be used for or distributed to a campaign fund:

- (1) For the benefit of any election for any candidate for the general assembly;
- (2) For the benefit of any statewide election, or any state, national or other political party;
- (3) For the benefit of any state, national or other political party caucus; or
- (4) For the benefit of any state, national or other political party caucus member.

In addition, the registry shall provide assistance to anyone seeking to access this information on the Internet. Beginning with the 2006

If a candidate has not timely filed campaign contribution lists, then the registry shall post on the Internet that the candidate's statement is delinquent.

(b) The registry of election finance, once the development of the electronic filing system is completed and tested, shall provide public notice that the system is operational and available for filers to commence use.

(c) The registry of election finance shall, and with the advice, assistance and approval of the office of information resources, implement the electronic filing system for use in the 2004 regular August election and all subsequent state elections. Candidates for state public offices and campaign committees may commence electronic filing for any state election beginning in the year 2004 and after notice has been given pursuant to subsection (b) and may continue to file electronically all reports for any subsequent state elections. Beginning in July 2006, candidates for state public offices and campaign committees, who have contributions or expenditures in excess of one thousand dollars (\$1,000) per reporting period, shall file electronically all reports for any subsequent state elections. Failure to timely file reports electronically may be penalized as provided in § 2-10-110.

(d) All information entered by any candidate or campaign committee into the electronic filing system shall remain confidential until the information is filed with the registry of election finance.

SECTION 12. Tennessee Code Annotated, Title 2, Chapter 10, is amended by adding the following as a new, appropriately designated section:

§ 2-10-____.

(a) The registry of election finance shall conduct audits and field investigations of reports and statements filed with the registry as follows:

(1) Each gubernatorial candidate and such candidate's committees that receive at least ten percent (10%) of the vote at the general election shall be subject to an audit; and

(2) Each candidate for the general assembly and each candidate for a judicial office and such candidate's committees shall be subject to an audit on a random selection of districts in an election by the registry.

(b)

(1) The registry shall select by lot the districts to be audited on a random basis regarding candidates for the general assembly and judicial offices. The selection shall be after the last date for filing the first report or statement following the primary or general election for which the candidate ran or for which the committee donated money. The attorney general and reporter, or the attorney general's designee, shall attend the random selection to preserve the integrity of the proceeding.

(2) No audit or investigation of any candidate or candidate's committee in connection with a report or statement required by this chapter shall begin until after the last date for filing the first report or statement following the general election for the office for which the candidate ran. When the campaign statements or reports of a candidate are audited and investigated, the audit and investigation shall cover all campaign statements and reports filed for the primary and general elections and any previous campaign statement or report filed since the last election for that office, but shall exclude any statements or reports which have previously been audited.

(3) Audits of members of the general assembly shall only take place during June through December during odd-numbered years.

(c) In order to comply with an audit, candidates and campaigns shall retain copies of all checks, bank statements and vendor receipts for two (2) years after the date of the election to which the records refer.

(d) The registry shall adopt auditing guidelines and standards with guidance from the comptroller of the treasury which shall govern audits and field investigations conducted under this section. The guidelines and standards shall be formulated to accomplish the following purposes:

(1) The audits should encourage compliance and detect violations of this chapter;

(2) The audits should be conducted with maximum efficiency in a cost-effective manner; and

(3) The audits should be as unobtrusive as possible, consistent with the foregoing purposes.

In adopting its guidelines and standards the registry shall consider relevant guidelines and standards of the American Institute of Certified Public Accountants to the extent such guidelines and standards are applicable and consistent with the purposes set forth in this section.

(e) The detailed information received pursuant to this section for an audit shall be considered working papers of the comptroller of the treasury and is therefore confidential and not an open record pursuant to Tennessee Code Annotated, title 10, chapter 7.

(f) After the completion and approval of an audit by the registry, the registry shall post any finding that could result in an assessment of significant penalties on the

registry's web site, except that audits of candidates defeated in the primary election shall not be made public until after the general election.

(g) Failure to comply with an audit investigation under this section is a Class 2 offense as defined in § 2-10-110.

(h) Notwithstanding the provisions of this section, any candidate running for the office of governor more than one (1) year prior to the general election may elect to do self-audits annually. Such audits shall be given to the registry and the registry may give the candidate a letter of compliance stating the audit is complete and acceptable.

(i) Notwithstanding the provisions of this section, any candidate who files a contribution statement with more than twenty percent (20%) of such candidate's contributions reported as unitemized contributions shall automatically be audited by the registry.

SECTION 13. Tennessee Code Annotated, Title 2, Chapter 10, is amended by adding the following as a new, appropriately designated section:

§ 2-10-____.

(a)

(1) For the purpose of conducting any hearing or audit as provided in this chapter, the registry has the power to administer oaths, to call any party to testify under oath at such hearings, to require the attendance of witnesses, the production of books, records, and papers, and to take the depositions of witnesses.

(2) For such purposes, the registry is authorized to issue a subpoena for any witness or a subpoena duces tecum to compel the production of any books, records or papers. These subpoenas may be served by registered mail, return receipt requested, to the addressee's business mailing address, or by such

personnel of the registry, or shall be directed for service to the sheriff of the county where such witness resides or is found or where such person in custody of any books, records, or papers resides or is found.

(b) In case of a refusal to obey a subpoena issued to any person under subsection (a), any circuit or chancery court of this state within the jurisdiction in which the person refusing to obey the subpoena is found or resides may issue to such person, upon application by the registry, an order requiring such person to appear before the court to show cause why the person should not be held in contempt for refusal to obey the subpoena. Failure to obey a subpoena may be punished by the court as a contempt of court.

SECTION 14. Tennessee Code Annotated, Title 2, Chapter 10, Part 3, is amended by adding the following as a new, appropriately designated section:

§ 2-10-3__.

§ 2-10-3__.

No individual shall contribute more than twenty-five thousand dollars (\$25,000) in the aggregate to all candidates, political campaign committees and multicandidate political campaign committees annually. All contributions made to political campaign committees controlled by a political party on the national, state, or local level or by a caucus of such political party established by members of either house of the general

assembly shall count toward the aggregate limit in this section. The contributions a candidate makes to such candidate's own election shall not count toward the aggregate limit in this section.

§ 2-10-1__.

(a) As used in this section, "independent expenditure" means an expenditure by a person that is not made in concert or cooperation with or at the request or suggestion of such candidate, the candidate's authorized political campaign committee, or their agents, or a political party committee or its agents.

(b)

(1) A person, including a political campaign committee, that makes or contracts to make independent expenditures aggregating one thousand dollars (\$1,000) or more beginning the thirtieth day before an election and ending election day, shall file a report describing the expenditures within twenty-four (24) hours of such expenditures.

(2) After a person files a report under subdivision (1), the person shall file an additional report within twenty-four (24) hours after each time the person makes or contracts to make independent expenditures with respect to the same election as that to which the initial report relates.

(3) A report under this subsection shall be electronically filed with the registry of election finance on a form created by the registry, which form shall contain the same information required by § 2-10-107, including the name of the candidate the election of whom an expenditure is intended to support or oppose.

(4) The reports filed under this section shall be in addition to any other reports required to be filed by a political campaign committee.

SECTION 17. Tennessee Code Annotated, Section 2-10-310(a), is amended by deleting subdivision (1) and substituting instead the following:

SECTION 19. Tennessee Code Annotated, Title 2, Chapter 10, Part 1, is amended by adding the following as a new, appropriately designated section:

§ 2-10-1__.

Such loans that remain unpaid after September 30 shall be reported as contributions by such person making the loan on the next contribution statement filed with the registry. With regard to statewide and general assembly candidates in a special election or any other candidate for public office, such loans that remain unpaid after two hundred ten (210) days after the election in question shall be reported as contributions on the next contribution statement filed by such candidate.

SECTION 20. Tennessee Code Annotated, Section 2-10-117, is amended by deleting such section in its entirety and substituting instead the following:

§ 2-10-117.

SECTION 21. Tennessee Code Annotated, Title 3, Chapter 6, is amended by deleting Part 1 in its entirety and by substituting instead the following language as a new, appropriately designated part:

§ 3-6-101.

Parts 1 - 2 of chapter 6 shall be known and may be cited as the "Tennessee Ethics Commission Act of 2006."

§ 3-6-102.

It is the intent of the general assembly that the integrity of the processes of government be secured and protected from abuse. The general assembly recognizes that a public office is a public trust and that the citizens of Tennessee are entitled to a responsive, accountable, and incorruptible government. The Tennessee ethics commission is established to sustain the public's confidence in government by increasing the integrity and transparency of state and local government through regulation of lobbying activities, financial disclosure requirements, and ethical conduct.

§ 3-6-103.

(a) There is created as an independent entity of state government a Tennessee ethics commission. The commission shall be composed of six (6) members appointed as provided in this section. Appointments shall be made to reflect the broadest possible representation of Tennessee citizens. Of the six (6) members appointed at least one (1) shall be a female member and one (1) shall be a black member. However, a black female member shall not satisfy the requirement of one (1) female member and one (1) black member. Each member shall:

- (1) Have been a legal resident of this state for five (5) years immediately preceding selection;
- (2) Be at least thirty (30) years of age;
- (3) Be a registered voter in Tennessee;
- (4) Be a person of high ethical standards who has an active interest in promoting ethics in government;
- (5) Not have been convicted of a felony.

No person shall be appointed to the commission if such person, or any member of such person's immediate family as defined in § 3-6-301, is announced as a

candidate for public office, holds public office, or is a member of a political party's state executive committee.

(b)

(1) For administrative purposes, the Tennessee ethics commission shall be attached to the department of state for all administrative matters relating to receipts, disbursements, expense accounts, budget, audit, and other related items. The autonomy of the commission and its authority are not affected by this subsection and the secretary of state shall have no administrative or supervisory control over the commission.

(2) No person performing staff duties for the Tennessee ethics commission including the executive director, or any member of such person's immediate family as defined in § 3-6-301, shall, during the period of such employment:

(A) Be allowed to hold or qualify for elective office to any state or local public office as defined in § 2-10-102;

(B) Be an officer of any political party or political committee;

(C) Permit their name to be used or make contributions in support of or in opposition to any candidate or proposition;

(D) Participate in any way in any election campaign; or

(E) Lobby or employ a lobbyist; provided, that this provision on lobbying shall not prohibit the executive director from the performance of the executive director's duties.

(c) The members of the Tennessee ethics commission shall be selected as follows:

(1) The governor shall appoint four (4) members; and

(2) The speaker of the senate and the speaker of the house shall each appoint one (1) member.

Three (3) members of the commission shall be members of the majority party and three (3) members of the commission shall be members of the minority party as such parties are defined in § 2-1-104. The appointing authority shall designate the political party membership of each appointee he or she appoints. No appointee may be designated as a member of a political party if such appointee has voted in a primary election of a political party other than the designated political party within five (5) years immediately preceding the appointment. A confirming body may also solicit affirmation from the state executive committee of an appointee's designated political party solely to verify that appointee's political party membership. Each gubernatorial appointee shall be subject to confirmation by a two-thirds (2/3) vote of approval by each house of the general assembly and each legislative appointee shall be subject to confirmation by a two-thirds (2/3) vote of approval by the appointing authority's house. If the general assembly is in session when an appointment is made, then the appointment shall be subject to confirmation within thirty (30) days of such appointment. If the general assembly is not in session when an appointment is made, the appointment shall be subject to confirmation within thirty (30) days after the general assembly next convenes following such appointment. If an appointee is refused confirmation, or is not confirmed during such thirty (30) day period, then the appointing authority of such appointee shall select another

appointee for confirmation subject to the requirements of this section. Vacancies shall be filled in the same manner as the vacating member's office was originally filled.

(d) The initial members' terms of office shall commence upon appointment. For purposes of calculating the terms of such members' offices, such appointments shall be deemed to be made on January 1, 2007. The initial members' terms shall be staggered as follows:

(1) The governor shall appoint two (2) members to a term of one (1) year;

(2) The governor shall appoint two (2) members to a term of three (3) years;

(3) The speaker of the senate shall appoint one (1) member to a term of two (2) years; and

(4) The speaker of the house shall appoint one (1) member to a term of two (2) years.

Thereafter, members of the commission shall serve four-year terms and are eligible to serve two (2) four-year terms in succession.

(e) The initial chair of the commission shall be appointed by the governor. Every year thereafter the commission shall elect a chair from among its membership. The chair shall serve in that capacity for one (1) year and shall be eligible for reelection. The chair shall preside at all meetings and shall have all the powers and privileges of the other members.

(f) The commission shall fix the place and time of its regular meetings by order duly recorded in its minutes. Four (4) members of the commission shall constitute a quorum. Except as provided in § 3-6-201, four (4) affirmative votes

are required for any commission action. Special meetings shall be called by the chair on the chair's initiative or upon the written request of three (3) members. Members shall receive written notice three (3) days in advance of a special meeting. Such notice shall be served personally or left at a member's usual place of residence and shall specify the purpose, time and place of the meeting. No matters unrelated to the specified purpose may be considered without a specific waiver by all members of the commission.

(g) The members of the commission shall receive no compensation; provided, that each member of the commission shall be eligible for reimbursement of expenses and mileage in accordance with the regulations promulgated by the commissioner of finance and administration and approved by the attorney general and reporter.

(h) No member of the commission or such member's immediate family, as defined in § 3-6-301, shall during such membership:

(1) Be allowed to hold or qualify for elective office to any state or local public office, as defined in § 2-10-102;

(2) Be an employee of the state or any political subdivision of the state;

(3) Be an officer of any political party or political committee;

(4) Permit their name to be used or make campaign contributions in support of or in opposition to any candidate or proposition;

(5) Participate in any way in any election campaign; or

(6) Lobby or employ a lobbyist.

(i) The prohibitions of subsection (h) shall not prohibit any incumbent member of the commission from seeking votes for confirmation of his or her appointment to the commission.

(j)

(1) The provisions of subsection (h), except subdivision (h)(2), shall be applicable for one (1) year subsequent to the removal, vacancy or termination of the term of office of a member of the commission; provided, that such one-year prohibition with respect to subdivision (h)(1) shall not apply to a member of the commission who resigns from the commission and, after resignation, the member or such member's immediate family, as defined in § 3-6-301, qualifies as a candidate for elective office to any state or local public office, nor shall such prohibition apply to making contributions to or participating in the candidate's own campaign for such election, if the resignation occurs either prior to the qualifying deadline for such election or prior to certifying to the commission the name and address of the candidate's or committee's political treasurer for such election pursuant to §2-10-105(e), whichever is earlier.

(2) A member of the commission or any of such member's immediate family, as defined in § 3-6-301, may not be appointed or hired by an official over whom the commission has jurisdiction for one (1) year subsequent to the removal, vacancy or termination of the term of office of such member.

(3) Notwithstanding the provisions this section, during that one-year period specified in subdivision (j)(1), a former member of the

commission or such former member's immediate family, as defined in § 3-6-301, may support a candidate or the committee of a candidate for a federal election in any way permitted by law, including financial support.

(k) Unless otherwise provided by law, any member of the commission who violates the oath of office for such position or participates in any of the activities prohibited by this chapter commits a Class A misdemeanor, and such violation or participation shall be a ground for removal from office.

§ 3-6-104.

(a) The Tennessee ethics commission shall appoint a full-time executive director who shall serve at the pleasure of the commission. Other staff shall be employed on recommendation of the executive director with the approval of the commission. The commission may call on the department of state for such advice, documents or services as it may require.

(b) Employees of the commission shall not have career service status, but such employees shall be subject to personnel policies applicable to state employees generally, such as leave, compensation, classification and travel requests.

§ 3-6-105.

(a) The Tennessee ethics commission is vested with jurisdiction to administer and enforce the provisions of this chapter, §§ 2-10-122 – 2-10-129, and the "Conflict of Interest Disclosure Law," compiled in title 8, chapter 50, part 5.

(b) In addition to the jurisdiction vested in subsection (a), with respect to members of the general assembly, the commission also has jurisdiction to investigate, in accordance with § 3-6-203, complaints alleging acts by a member of the general assembly that constitute misuse of office for personal financial gain; provided however, if a member of the general assembly makes the declaration required by § 2-10-127(d),

then such member shall not be deemed to have misused his or her office for personal financial gain based solely upon the member's relationship to a sibling, spouse or child who lobbied for or against the legislative action.

(c) The ethics committee in each house is authorized to refer to the commission for investigation in accordance with § 3-6-203 any complaint it receives alleging a violation of the provisions of this chapter; §§ 2-10-122 – 2-10-129, the "Conflict of Interest Disclosure Law," compiled in title 8, chapter 50, part 5; or misuse of legislative office for personal financial gain.

(e) The commission is vested with jurisdiction over any violation of the laws administered and enforced by the commission or any alleged violation referred to the commission pursuant to this section that occurs within five (5) years prior to the filing of a complaint alleging such violation.

§ 3-6-106.

(a) The duties of the Tennessee ethics commission include the following:

(1) Recommend guiding principles of ethical conduct for consideration and adoption by the legislative or executive branches. The commission shall publish such principles on the commission's web site. Guiding principles of ethical conduct may be established for each of the following classifications:

(4) Make as many documents filed available for viewing on the Internet as is reasonable based on the commission's financial resources and make each document filed available for public inspection and copying during regular office hours at the expense of any person requesting copies of the same; provided, that this subsection does not apply to those documents required to be confidential pursuant to § 3-6-202;

§ 3-6-110.

The Tennessee ethics commission has the authority to petition the chancery court through the attorney general and reporter or its own legal counsel for enforcement of any order it has issued. The court's order of enforcement has the same force and effect as a civil judgment.

(2) No political party chairman, state or county executive director of a political party, or employee or agent of a political party acting in his or her official capacity may file a complaint with the commission for a violation of laws or rules within the jurisdiction of the commission. Nothing in this section prohibits a private citizen, acting in such private capacity, from filing a sworn complaint with the commission under this section.

(b) A complaint filed under this section must set forth in simple, concise, and direct statements:

(1) The name of the complainant;

(2) The street or mailing address of the complainant;

(3) The name of each respondent;

(4) The position or title of each respondent;

If the complaint is based on information and belief, the complaint shall state the source and basis of the information and belief. The complainant may swear to the facts by oath before a notary public.

(d) The commission may file a complaint upon an affirmative vote of three (3) members of the commission who are members of the same party or upon an affirmative vote by two (2) members of different parties.

(e) Within five (5) days after the filing of a complaint, the commission shall cause a copy of the complaint to be transmitted by return receipt requested mail to the person alleged to have committed the violation.

§ 3-6-202.

(a) The members and staff of the Tennessee ethics commission shall preserve the confidentiality of all commission proceedings, including records relating to a preliminary investigation. Such records shall be exempt from the Tennessee Public Records Act, compiled in title 10, chapter 7 and shall be confidential either until the alleged violator requests in writing that such investigation and associated records and meetings be made public or until the commission determines that probable cause exists to believe that a violation has occurred. A member of the commission or a member of the commission staff may acknowledge receipt of a complaint or may disclose information to the extent necessary to successfully pursue an investigation. In no event shall such information against a candidate in any election, as defined in § 2-10-102, be

Violation of this section by a member of the commission shall be a ground for removal from office.

§ 3-6-203.

(a) The commission shall initiate a preliminary investigation of each sworn complaint that complies with § 3-6-201. If the commission determines that the sworn complaint does not comply with § 3-6-201, then the commission shall dismiss the complaint and notify the complainant.

(b) The commission shall refer a factually and legally sufficient complaint to the office of the attorney general and reporter who shall conduct a preliminary investigation. The commission shall make a probable cause determination after the office of the attorney general and reporter completes its investigation and reports its findings to the commission. Both the alleged violator and the complainant shall be entitled, upon request, to present evidence before the commission prior to the commission's probable cause determination. The commission shall have notice that evidence will be presented to the commission personally served upon, or sent by return receipt requested mail to, the alleged violator and the complainant. The commission has discretion to determine the appropriate procedure for the presenting of such evidence.

(1) If the commission determines that no probable cause exists to believe a violation of any law or rule administered and enforced by the commission occurred, the commission shall dismiss the complaint by issuing a report to the

complainant and the alleged violator, stating with particularity its reasons for dismissal of the complaint. A complainant may request a hearing upon a determination of no probable cause. If after such hearing the commission determines that there is no probable cause, the commission may order the complainant to reimburse the alleged violator for any reasonable costs and reasonable attorney fees the alleged violator has incurred. All records and proceedings of the commission related to the preliminary investigation shall become public record sixty (60) days after:

(A) The date the report of the commission's finding is issued, if the complainant does not request a probable cause hearing; or

(B) The date the commission issues its finding of no probable cause following a hearing requested by the complainant.

(2) If the commission determines that probable cause exists to believe a violation of any law or rule administered and enforced by the commission occurred, the commission shall conduct a public hearing. Both the alleged violator and the complainant shall receive, by personal service or return receipt requested mail, notice of the time, date, and location of such hearing.

§ 3-6-204.

(a) The Tennessee ethics commission, on its own motion or at the request of the alleged violator, may issue subpoenas in accordance with the Tennessee Rules of Civil Procedure, except that service may be by certified mail in addition to means of service provided by the Tennessee Rules of Civil Procedure. Witnesses under subpoena shall be entitled to the same fees as are now or may hereafter be provided by law or by action of the commission. The party requesting the subpoenas shall bear the cost of paying the fees to the witnesses subpoenaed.

(b) A person who is aggrieved by a final disposition of the commission shall be entitled to judicial review.

(1) Proceedings for review shall be instituted by filing a petition for review in the chancery court of Davidson County, unless another court is specified by statute. Such petition shall be filed within sixty (60) days after the entry of the commission's final disposition thereon. Copies of the petition shall be served upon the commission, the complainant and all parties of record, including the attorney general and reporter, in accordance with the provisions of the Tennessee Rules of Civil Procedure pertaining to service of process.

(2) The provision of § 4-5-322 relating to judicial review of agency decisions shall apply to a petition of review filed pursuant to this section.

or receipt of the letter and will continue to accrue until the report is filed, or for thirty (30) days, whichever occurs first.

(B) To request a waiver, reduction or to in any way contest a penalty imposed by the Tennessee ethics commission for a Class 1 offense, a person shall file a petition with the commission.

(2) "Class 2 offense" means failing to file a report required by the "Conflict of Interest Disclosure Law", compiled in title 8, chapter 50, part 5 within thirty-five (35) days after service of process or receipt of notice by registered or certified mail of an assessment or any other violation of the requirements of the "Conflict of Interest Disclosure Law", compiled in title 8, chapter 50, part 5, except where another penalty is prescribed by law. A Class 2 offense is punishable by a maximum civil penalty of not more than ten thousand dollars (\$10,000).

(A) For any Class 2 offense, the Tennessee ethics commission shall send an assessment letter to a person required to file in a form sufficient to advise the person required to file of the factual basis of the violation, the maximum penalty and the date a response to the letter must be filed. If a disclosure report is returned to a person required to file for correction, a copy of the original shall be retained on file until the corrected report is returned to the Tennessee ethics commission. If the original filing was in compliance with the intent of the law and minor errors are corrected within the date set for a response, no penalty shall be assessed.

(B) To request a waiver, reduction or to in any way contest a penalty imposed by the Tennessee ethics commission for a Class 2 offense, a person shall file a petition with the commission.

(a) The Tennessee ethics commission shall maintain a register of all civil penalties imposed under this chapter and remaining unpaid.

(b) If a civil penalty lawfully assessed and any lawfully assessed cost attendant thereto are not paid within thirty (30) days after the assessment becomes final, any candidate owing such civil penalty shall be ineligible to qualify for election to any state public office until such penalty and costs are paid.

(c) If a civil penalty authorized by this section is imposed, it shall be considered as a personal judgment against the person subject to the civil penalty.

§ 3-6-207.

Notwithstanding the provisions of § 3-6-203, if the commission determines that probable cause exists to believe that a member of the general assembly has committed an act constituting misuse of office for personal financial gain, then, except as otherwise provided in § 3-6-306(a)(3), no civil penalty shall be imposed and the commission shall instead report its determination and findings to the ethics committee of the appropriate house of the general assembly.

then the complainant is subject to the civil penalties authorized by §3-6-205(a)(2) and may be liable for any reasonable costs and reasonable attorney fees the alleged violator has incurred. The commission may also decline to consider any further complaints brought by such complainant.

(b) The sanctions authorized by subsection (a) are not exclusive and do not preclude any other remedies or rights of action the alleged violator may have against the complainant or informant under the law; provided, that any person who in good faith files a verified complaint or any person, official, or agency who gives credible information resulting in a formal complaint filed by the commission is immune from any civil liability that otherwise might result by reason of such actions.
